Welcome to the Tupelo Aquatic Center, where goals are met and dreams are made.

This \$12 million facility offers a competitive swim team called Shockwave. It is a nonprofit and is run by its Board of Directors. Our team is a USA Swimming year-round competitive swim team, offering high quality professional coaching and technique instruction of all ages and abilities.

Those who do not wish to participate in competitive swimming have many options from which to choose at the Tupelo Aquatic Center, including water exercise classes, swim lessons for all ages and recreational swimming.

And we haven't forgotten our children. We offer swim lessons to every Tupelo Public School District student in the first and second grades without charging a fee.

Since it opened in December 2013, the Tupelo Aquatic Center has attracted every large state championship in Mississippi. In August 2015 the Tupelo Aquatic Center hosted the USA Southern Zone Swimming Championship for Age Groups, bringing thousands of competitors, coaches, families and supporters from the southern region into Tupelo. And in 2016, the Tupelo Aquatic Center will host the USA Southern Zone Senior Championships.

The center – a 19-lane competition pool, five-lane auxiliary heated pool, facilities and seating for 1,500 swimmers and spectators, plus venues for other sports – came to fruition through volunteer efforts by parents of Tupelo Shockwave swimming teams, generations of adult exercise and recreational swimmers, working together with City administrators.

We are proud of this facility and its programs.

We are proud of our local swim teams on the high school level and of our Tupelo Shockwave.

We are proud that for most of our residents, the Aquatic Center is a personal exercise and recreational venue that is useful for a lifetime.

Sincerely,

A handwritten signature in blue ink that reads "Jason L. Shelton". The signature is fluid and cursive, with the first name being the most prominent.

Jason L. Shelton, Mayor

FACILITY CHILDREN AND GROUP POLICIES

The Tupelo Aquatic Staff strives to maintain the highest standards in emergency training. Our goal is to provide patrons with a safe and clean atmosphere in which families can enjoy themselves in a recreation environment. The purpose of the staff is not to supervise your child, but to prevent accidents from happening. Therefore, parents and guardians are to closely supervise their children and assist in enforcing the facility's policies for the safety and enjoyment of all patrons.

- Organized groups such as birthday parties, private parties/rentals, day cares/camps, field trips, swim teams/clubs, fitness class participants, and individuals must abide by the Policies and Rules of the Tupelo Aquatic Center.

- Floatation Devices must be US Coast Guard Approved. Life jackets are available for rental at \$5.00 per day.

- Non-swimmers must stay in the shallow part of the pool. NO EXCEPTIONS!

- Children age 3 and under must wear a swimmer's diaper.

- All children that are wearing diapers must change in the bathroom on the changing table, not in any open areas in or around the aquatic facility.

- Children 4 years of age or older must change in the gender appropriate locker room or in the family restroom.

REQUIRED ADULT / CHILD RATIO

- Children 7-12 yrs. of age must be accompanied and supervised by a responsible adult age 18 or over who is present with them at all times on the pool deck or in the water.

- Children 6 & Under: 1 child per 1 adult with direct supervision regardless whether a floatation device is used. The adult must be within arm's reach of the child at all times.

- A swim test will be offered by staff for children age 6 and under. Those who pass this swim test will be treated as age 7 for purposes of this requirement.

- Children 7-12 years of age: Ratio is 5:1 (5 children to 1 adult supervising at all times regardless whether floatation device is used).

FACILITY RESTROOM/ LOCKER ROOM POLICIES

- Patrons are to use the restrooms and locker rooms of the gender reflected on their driver's license.

- Writing on walls of bathrooms is prohibited and will result in dismissal from the facility, and payment for repair will be required.

- The use of camera, video cameras or any devices containing camera equipment of any kind is prohibited in all locker rooms, bathrooms, and changing rooms.

- No food or drink is allowed.

- Guests are strongly urged to lock all items left unattended in the locker room. Tupelo Aquatic Center is not responsible for any lost or stolen items.

- No loitering.

FACILITY MEDICAL POLICIES

◆ Patrons are not allowed to swim with open wounds or cuts even if covered by a Band-Aid or bandage. Any person having a skin disease, sore or inflamed eyes, cold, nasal or ear discharge, communicable disease or who is wearing a band-aid or bandage to cover an open wound (unhealed) will not be permitted in the pool. If a lifeguard gives first aid to a patron that requires a band-aid or bandage, the patron will not be able to re-enter the water. No refunds will be given. This is to ensure the safety of the swimmer.

◆ Any person experiencing a nosebleed cannot re-enter water unless bleeding has completely stopped for at least 30 minutes.

◆ No blowing of the nose, spitting or spouting of pool water.

◆ Any adult or child experiencing even a mild case of diarrhea may not use the pool. Person with diarrhea should wait 2 weeks after symptoms end before returning to the pool. Pathogens of concern may still be shed up to 2 weeks following the end of symptoms.

◆ Band-Aids are not allowed by any user group while participating in water activities.

FACILITY RECREATIONAL COMPONENT POLICIES

◆ One person on the diving board(s) at a time. Wait until the person in front of you has gotten out of the way.

AQUATIC CENTER CLASSES

Lifeguard Training

You must be 15 years old and proficient in the front crawl (freestyle) and breaststroke. Lifeguard training includes CPR for the Professional Rescuer (CPR/PR) and AED. In this course, you will learn about the duties and responsibilities of a lifeguard and how to carry them out in a professional manner. You will also learn a number of lifeguarding skills, such as surveillance techniques, how to use rescue equipment and how to manage a suspected spinal injury victim. These practices require strenuous activity. If you have a medical condition or disability that might prevent you from taking part in the practice sessions or if you have any questions at all about your ability to participate fully in the Lifeguard Training course, you should discuss it with the appropriate person at your local American Red Cross chapter or unit before you start the course.

Prerequisite skills you will perform:

- ◆ Swim 300 yards continuously demonstrating breath control and rhythmic breathing
- ◆ Tread water for 2 minutes using only the legs
- ◆ Complete a timed event within 1 minute, 40 seconds
 - Starting in the water, swim 20 yards
 - Surface dive, feet-first or head-first, to a depth of 10-13 feet to retrieve a 10-pound object
 - Surface and swim 20 yards on back with both hands holding object
 - Exit the water and hold brick above head.

Blended Learning Course

◆ The new blended learning Lifeguarding course from the American Red Cross builds the same knowledge and skills as our traditional classroom training. The online format enables participants to complete interactive lessons and activities on their own time. Instructor-led sessions reinforce learning and emphasize skill building.

◆ Must have access to a computer with internet capabilities.

◆ Student progress reports must be printed out and submitted to instructor on the first day of the on-site instruction.

Fees

Cost: \$275 (Blended Learning Course: Additional \$35 payable to ARC for on-line portion of certification) payable to Tupelo Aquatic Club.
